

Minutes of Environmental Committee Meeting
August 6, 2015
2:30 PM

Members Present: Mary Ellen Langan, Patti Breger, Colleen Wilson, Dave Van Kavelaar, Linda Poole, Roy Williams, Buzz and Betsy Henifin.

Old Business

Mary Ellen reviewed the members assigned to do the rest of the summer and fall **butt counts**.

Ideas for the **Adopt a Street** project were discussed. They included:

- Having a sign designating the incorporated part of town
- Finding a group such as the Boy Scouts or youth doing community service to pick up trash several times a year (Mary Ellen will check)
- Have clean up in conjunction with Coastal Cleanup Day, Sept. 19
- Need to monitor our own areas for amounts of trash visible
- Take pictures of trash we find to remind people
- Post signs on life guard stands "No smoking or Littering"
- Stencil smaller trash cans
- Be aware of existing trash in town to decide on the feasibility of Adopting Streets (Do we really need to do this?)

New Business

Information was distributed from Mid-Atlantic Regional Planning. Mary Ellen suggested having a speaker from this organization at a council meeting.

The next meeting of this committee will be September 17, 2:30 PM.

The meeting was adjourned at 3:35 PM.

Respectfully submitted,

Betsy Henifin
