

FENWICK ISLAND COMMUNITY SUPPORT PARKS AND RECREATION FUND

The Parks & Recreation Committee of Fenwick Island is pleased to offer a special donation opportunity for individuals, families, community groups and local businesses to show their on-going support of the new Community Park and its recreational activities. To publicly recognize each donor's support, a brick or bricks, engraved with names (no dates please) of the donor's choice, will be placed in the walkway that winds through the Park. The funds raised from these donations will be used to help pay for specific future improvements and additions to the Park's facilities and programs as recommended from time to time by the Parks and Recreation Committee and approved by Town Council.

There are four levels of donation, each recognized with a different size engraved brick:

		<u>Height</u>	<u>Width</u>
Contributors	\$50	4"	8"
Sponsors	\$150	8"	8"
Benefactors*	\$400	12"	16"
Founders*	\$600	20"	16"

*Limited number available

A 4"x8" brick may have one or two lines of engraving and the 8"x8" brick may have up to 4 lines. Each line may have up to 15 characters including spaces and punctuation. An ampersand (&) may be used instead of the word *and*. For the 12"x16" and 20"x16" bricks the engraving will be customized.

We hope you will be interested in participating in this program as a way to express your support for your community. Your donation will qualify as a charitable contribution for tax purposes. If you would like to participate, please complete the attached order form.

Thank You,
Parks & Recreation/Beautification Committee
