

PARKING REGULATIONS

**Parking Permits Required
May 15 – September 15
9:00 a.m. – 4:00 p.m.**

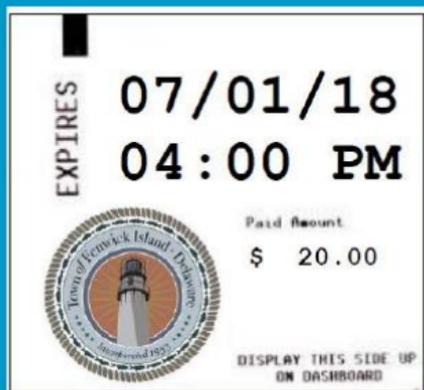

To help you understand the parking regulations, we have developed this handy little card. Keep it in your car in case you ever have any questions on where you can park within Fenwick Island Town limits.

If you are a **visitor**, then you must purchase a non-resident parking permit. You can purchase a hourly, daily, weekly, or summer permit from either the Police Station or through the kiosk.

These permits allow you to park on the street where “Parking Permit Only” signs are displayed.

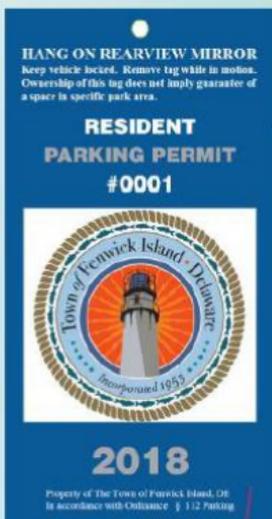

Yellow Hang Permit – please hang permit from rear view mirror.

Kiosk Tag – please place tag on dashboard with expiration date visible.

All **residents** are given one blue rectangular and two circular parking permits per household.

Blue Hang Permit – Please hang the permit from the rear view mirror. This permit allows you to park at the beach end and on the street where the “Parking Permit Only” signs are displayed.

Circular Parking Permits – Please place sticker on the left hand side of your car’s back bumper. This permit allows you to park on the street where the “Parking Permit Only” signs are displayed.

Important!

- ❖ Date must be seen from front of vehicle (hang tag and kiosk tag).
- ❖ Valid on streets with “Parking Permit Only” (see below).
- ❖ Visitor tags (including kiosk tags) and round resident stickers are not valid for diagonal spaces on beach ends.
- ❖ Park your vehicle off the paved roadway and in the direction of traffic flow.
