

FIBP REPORT

The Fenwick Island Beach Patrol 2021 summer season ends on September 19th. All stands will be pulled and there will be no lifeguarding in the Town Fenwick Island. Please be safe during the unguarded offseason. The beach patrol would like to thank everyone for the support we received this season, and we are all looking forward to next summer. We will be busy this offseason making improvements to provide the best beach safety possible. As some of our veteran lifeguards move on to new careers, we encourage anyone interested in becoming a member of FIBP next year to email Captain Ryk for employment details. Thanks for the great summer!
