BACKGROUND AND ANALYSIS

The Beach Committee has investigated enclosing the Beach End Trash bins. Mike Locke's estimate to build these enclosures for a 2-can corral= \$200.00; 3-can corral= \$300.00. Frames will be made from wood using 2x4's, plywood flooring with vinyl exteriors.

Beach Committee is proposing to build enclosures for 3 or 4 of the busiest beach ends for Summer 2022. At the end of the summer it will be evaluated whether to build more enclosures or not.

Atlantic Street w/ 6 cans-\$600.00, Dagsboro Street w/4 cans-\$400.00, James Street w/ 4 cans-\$400.00
Total= \$1400.00
