

# What's your vision for Fenwick's future?

## We are working on the Comprehensive Plan

The Fenwick Island Planning Commission is revising the Comprehensive Plan to respond to key challenges facing the Town and to celebrate our history.

We are working on how to maintain Fenwick as a quiet and family-oriented town, preserve our environment, and increase safety while facing increased growth, traffic, and flooding.

## Please tell us what you think. What are your ideas?

## We invite you to listening sessions at Town Hall.

- Friday July 15 from 10 to 12 am
- Saturday July 23 from 9 to 11 am

We will be working on the plan until Spring 2023. Our meetings are open to the public, and we welcome public comment. Check the town calendar.
