Visitor Permits

Hourly, daily & weekly visitor permits are available for purchase through the ParkMobile app. This virtual permit allows visitors to park on the streets where spots are indicated by white lines. Yellow lines on streets indicate no parking zones. Park your vehicle off of the paved roadway and in the direction of traffic flow. The ParkMobile permits are for street parking only. ParkMobile permits do not apply where blue hangtag permits are required at the beach ends. Scan the QR code to download the ParkMobile app and follow the steps below to get started.
