Beach Patrol Report

From Beach Captain <beachpatrolcaptain@fenwickisland-de.gov>

Date Tue 7/15/2025 12:32 PM

To Erin Ellinger <eellinger@fenwickisland-de.gov>

Beach Patrol Report:

FIBP summer is in full swing. The beaches have been busy and our lifeguards have been vigilant and ready. Along with our daily beach responsibilities FIBP has been participating in many lifeguard competitions. We recently sent eight lifeguards to compete in the USLA Mid Atlantic competition held in Rehoboth Beach. I am happy to announce that Danielle Stewart placed 12th in the distance swim and rookie Alex Breschi placed 13th in the 2K Beach run. Both will be representing SCLA in the national competition in California in August.

I want to note this month that we had a medical emergency on Fenwick Avenue on July 8. The emergency occurred at 9:15 before lifeguard sign on. Captain responded to a surf injury and provide provided medical care. This is another example the importance of having an equipped ATV on the beach side, capable of responding to emergencies.

- Rookie Class completion with 12 new guards.
- ToF Staff trained in CPR/AED/First Aid
- Successful bonfire event
- 21 Rescues
- 68 Minor First Aid
- 2 Major First Aid
- 5 Lost Persons
- 65 Transports
