FIBP August report

The Beach patrol is wrapping up the summer with several high points. I am pleased to report that SCLA won the USLA National Lifesaving Competition in Huntington Beach, California. I am proud to announce that all four of the Fenwick Island Beach Patrol lifeguards that participated in the competition contributed to the total point win.

This past week FIBP had their annual awards dinner at The Station in Fenwick Island. Congratulations to lifeguard of the year Will Keller. Rookie of the year Alex Breschi. Captains award Danielle Stewart. Due to limited staff, we will be dropping a few stands and adjusting the coverage to adequately cover all of Island. Please swim near a lifeguard.
