BACKGROUND AND ANALYSIS

The Fenwick Island Police Department is recommending the purchase of two 18-inch speed -message display signs to be pole mounted at the north and south entrances to town. Each unit is priced at \$ 5,695.00. The current speed display signs are no longer operable due to age and damage due to traffic collisions. The vendor applied concepts currently supplies our department with our speed measurement equipment. The price quoted is State of Delaware contract price.
