Beach Patrol Report:

FIBP summer is in full swing. The beaches have been busy and our lifeguards have been vigilant and ready. Along with our daily beach responsibilities FIBP has been participating in many lifeguard competitions. We recently sent 12 lifeguards to compete in the USLA Mid Atlantic competition held in Rehoboth Beach. We have also completed our annual bonfire on July 19. It was very successful. Special thanks to Public Works and the Beach Committee for making this event possible.
